Business For Home is compiling the **Top Direct Selling – MLM CEO** in the world ranks for 2013. Last year over **114,000** Direct Selling professionals voted for the [2012 poll](#) and **700,000+** people visited the poll.

A Chief Executive Officer (CEO) is the highest-ranking corporate officer (executive) or in charge of total management of an organization. Corporate leaders and visionaries, creating culture, building the team and leading the way. Setting strategy and vision.

The CEO's duty is building culture. Work gets done through management and distributors, and they are profoundly affected by culture.

We have nominated over **195+** CEO's. If we have missed your CEO please comment below.

According to industry experts:

"The CEO and/or owner is the most important factor in any business. If you have a good one with a good mind and good heart, that will solve almost any problem.

A good leader will always find a way to create a great opportunity for you. If you have a bad leader, it doesn't matter how good the product or compensation plan is, they will find a way to mess it up"

The poll is closed, thank you for voting!

Ya hice mi votación por Chris Tidwell, de Ganolife, gran visionario. Gratamente vi que está registrado como compañía en Perú. Además hay 2 de México y 1 de Brasil entre los cientos de nominados
